

Precision
Coffee
Tamper

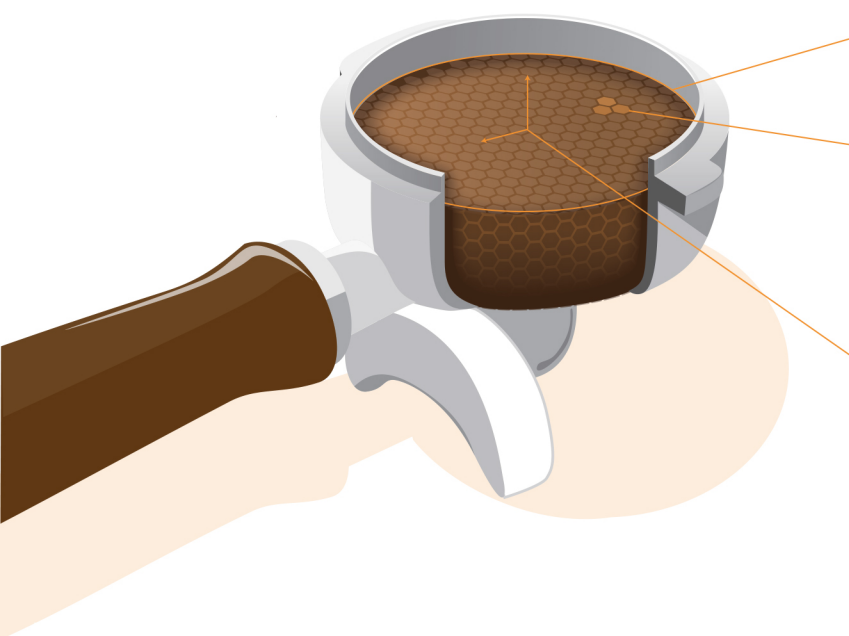

Tamping needs to be exact,
every time.

That's what we believe.

A real perfectionist.

Why we made Puqpress

Take control
Control the ideal pressure for
your ideal cup of espresso.

Constant pressure
Your pressure is always constant, no
matter the coffee dose.

Perfectly level
No more sleepless nights about unlevel
tamping. Puqpress tamps perfectly
level, every day in the week.
